

HB-205

KATA's HB-205 Hiker Backpack fits HDV/DV camcorders up to the Canon XH A1, G1, Sony Z1, V1 or Panasonic HVX200 & similar with accessories. The deep main compartment can be customized with the modular dividers. Two soft TST open pockets can be used for water bottles, small tripods or monopod. An assortment of external pockets all work together to provide the ultimate carrying and protecting solution for outdoor videographers. A tripod can be carried while attached either on the front or the side of the backpack. The advanced harness system is designed to allow for ultimate adjustment of all features.

HB-205
No Laptop Compartment.

HB-207
With Insertrolley (not included).

HB-207

The HB-207 Hiker Backpack is a larger version of the HB-205, featuring the same sized main compartment. This backpack will hold similar HDV/DV camcorders such as the Canon XH A1, G1, Sony Z1, V1 or Panasonic HVX200 or similar with accessories. In addition the HB-207 features a large rear laptop compartment and a small top compartment that can hold a Handycam or stills camera. It is also possible to remove the top divider to enlarge the capacity of the main compartment if needed. All the other features are identical to those of the HB-205.

HB-207
With rear laptop compartment, and small top compartment.
