Video Green Screen Lighting Kit

You may have heard the wonders of using Green Screen for video, but for the first time ever, we teach how simple and easy this technique is to perform. This kit comes complete with everything you need, including lighting, Green Screen, educational DVD, animated backgrounds and free trial of Adobe® Premiere® Elements 7 software.

Educational DVD

The educational DVD covers all aspects of setup, lighting and posing, then teaches the do's and don'ts of Green Screen technology in post-production using Adobe® Premiere® Elements.

Animated Backgrounds

10 animated backgrounds and a trial of Adobe® Premiere® Elements are included to get you editing Green Screen videos immediately.
